

**IMPORTANT – SAVE FOR THE FIRST DAY OF SCHOOL – Wednesday, September 5, 2018**

All classroom assignments are flexible and depend on actual enrollment figures. It is possible that a few changes will be made after the first day of school if the enrollment is too high in some classrooms.

**Class assignments for the 2018-19 school year will be available ONLINE starting end of August 2018. We will NOT be mailing assignments to families in August. You may access this information by going to the Skyward link which is an online tool for parents to view information about all students in their family. To log onto Skyward, go to: <http://edmonds.wednet.edu> . Look for the Skyward link on the right hand side of the page. Once on the Skyward Login Page you will need to know your Login and Password. You may then view your child's room assignment for the 2018-19 school year. You may be prompted to first update Student/Family information.**

**If you have misplaced this information you may call the office at Hazelwood (425) 431-7884 before June 27th or after August 13, 2018 and we can give you your login and password information. PLEASE MAKE SURE YOU SAVE THIS INFORMATION. You may view all your school age children at this site (this includes middle school and high school).**

#### **HELPFUL INFORMATION TO PARENTS:**

- **District web site – <http://edmonds.wednet.edu> has a great deal of information for families to view including District calendar, information regarding food service, ability to access and pay for your students lunches on line, etc.**
- **Hazelwood web site – you would access by going to the District web site and selecting a school (Hazelwood). Hazelwood's site would include the student handbook, discipline plan, calendar for all Hazelwood events, PTA information and supply list for 2018-19.**

**We will be sending all flyers to parents via e-mail for the 2017-18 school year. This information will include Hazelwood Highlights, classroom newsletters, Community information such as, camps, sign up for soccer, etc. You may check your e-mail address, home address and phone numbers by accessing the family access link (see above). Please update all information.**

**We will also do “robo” calls to parents to inform you of Hazelwood, PTA, District, and community events. These “robo” calls are a very informative way for us to reach all Hazelwood families.**

**EMERGENCY PREPAREDNESS – Each student will be asked to supply the following items in the event of a disaster. These items will be stored in the classrooms. If they are not used, they will be distributed to students at the end of the school year. This way we will have a fresh, bug-free supply of food available every year.**

#### **BOYS ONLY –**
